Phillip, Figure 2 is not legible. This is the figure I need to determine where the application of the water will occur. Thanks.

Rafael, Gary;
Here's a pdf of the letter w/IOM w/conditions approving the activities. I've also attached the IOM that was sent originally to me. Please let me know if this is legible, if not I'll try again. Not sure if faxing would work.

No, but ask Phil to send it to you and me.

Also, I am not sure if NORCO will be doing this because they have no money.

Gary, do you have the location where the application of the water will take place? The letter from TCEQ has Figure 2 (Site Map), but it's not legible.
